

ATTACHMENT 2

Medicaid-Covered Outpatient Substance Abuse Services

The procedure codes listed in this attachment will be allowable to those providers who provide substance abuse services in outpatient settings. This includes psychiatrists and Ph.D. psychologists in private practice and all outpatient mental health or substance abuse clinics (for services provided by psychiatrists, Ph.D. psychologists, Master's-level psychotherapists, and alcohol and other drug abuse [AODA] counselors). Not all providers may be reimbursed for all outpatient mental health or substance abuse services.

Maximum allowable fees listed in this attachment are the proposed fees effective July 1, 2002, and may be subject to change. Wisconsin Medicaid will notify providers if the fees change from those printed in this *Wisconsin Medicaid and BadgerCare Update*.

Professional Level Modifiers		
Modifier	Description	Providers
HN	Bachelor's degree level	Alcohol and other drug abuse counselor (counselors that have less credentials than a Master's level psychotherapist)
HO	Master's degree level	Master's level psychotherapist (Master's-level psychotherapists are Master's-level mental health professionals with 3,000 hours of supervised experience or are listed in an appropriate national registry as stated in HFS 61.96, Wis. Admin. Code. This includes registered nurses with a master's degree in psychiatric-mental health nursing or community mental health nursing from a graduate school of nursing accredited by the National League for Nursing.)
